## **DocPoint Solutions Earns Certified Partner Status in Microsoft Partner Program**

Fulton, Md. – July 1, 2008 – DocPoint Solutions, a subsidiary of Quality Associates, Inc., focused on providing Microsoft® SharePoint® to organizations that are looking to expand employee collaboration and increase the exchange of information, today announced it has earned certified status in Microsoft's Partner Program, which recognizes DocPoint's expertise and impact in the technology marketplace.

Achieving Certified Partner status signifies DocPoint Solutions' demonstrated knowledge and proven ability to work with Microsoft technologies. With a focus on Enterprise Content Management (ECM) and a specialization in document capture, DocPoint Solutions provides a full range of consultative services and support to a wide range of federal, state and local governments and private and commercial enterprises seeking to fully utilize the inherent value of Microsoft SharePoint.

"Receiving certified status in Microsoft's Partner Program adds another strong credential to our portfolio," said DocPoint Solutions Vice President, Bob Dickerson. "As a systems integrator specializing in document management, we partner with best-in-class hardware and software companies, such as KnowledgeLake, Clearview, Fujitsu and Visioneer. These partnerships enable us to provide the most suitable technology and products with full integration and training to meet the specifications of our clients.

As a Microsoft Certified Partner, DocPoint Solutions will receive a rich set of benefits, including access, training and support to give them a competitive advantage in the marketplace.

"Only companies that have demonstrated high levels of customer service, proved their experience and attained advanced certification receive the designation of Microsoft Certified Partner," said

Allison Watson, corporate vice president of Worldwide Partner Group at Microsoft Corp. “Today, Microsoft recognizes DocPoint Solutions for its skills and expertise in providing customer satisfaction with Microsoft products and technology.”

The Microsoft Partner Program was launched in October 2003 and represents Microsoft’s ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners’ businesses be successful.

In addition to earning certified status, DocPoint Solutions has declared a Microsoft Competency. Microsoft Competencies are designed to help potential customers determine a partner’s focus and capabilities with specific Microsoft technologies. Each competency has a unique set of requirements and benefits, formulated to accurately represent the specific skills and services that partners bring to the technology industry.

DocPoint Solutions is enrolled in the Networking Infrastructure Solutions Competency, which means it has proven expertise in implementing technology solutions based on Microsoft Windows Server 2003 and Windows 2000 Server operating systems.
