DocPoint Solutions' Management Team Welcomes Donald Greger

Business Development Executive Will Lead Efforts to Double Market Share

Fulton, Md. -- December 2, 2010 -- DocPoint Solutions, Inc. (www.docpointsolutions.com), a subsidiary of [Quality Associates, Inc.](#) that assists organizations in enhancing employee collaboration and information exchange using the Microsoft® SharePoint® suite, today announced the hiring of Donald K. Greger as its new Business Development Executive. Greger, who assumed the position on November 15, 2010, possesses over 20 years' experience in sales, marketing, business development and operations.

Most recently, Greger served as a business consultant to various metropolitan Washington, D.C. firms. Previously, he was COO for America's Remote Help Desk (Eldersburg, Md.); President and COO of Driven Incorporated (Falls Church, Va.); and President and CEO of HIPAAdocs Corporation (Columbia, Md.). In addition, earlier in his career Greger held management positions within two publicly traded companies based in McLean, Va.: First Consulting Group and IKON Technology Services.

"Microsoft SharePoint, especially the 2010 version, is experiencing high adoption rates across the public and private sectors," says Greger. "As the solution has grown in popularity, so has DocPoint's reputation as the 'go-to' expert in the field that can assist organizations in integrating and configuring SharePoint to work within their unique workflow and storage environments. My goal is to leverage DocPoint's credentials as a leading SharePoint integrator in the mid-Atlantic region into greater market share, doubling the firm's presence by the end of 2011."

DocPoint Solutions Vice President Bob Dickerson adds, "DocPoint Solutions has been experiencing tremendous growth in the SharePoint market space over the past few years. As DocPoint solidifies its market position and looks toward future growth, it is critical that our

business development efforts be deliberate and well conceived. Don brings a wealth of knowledge and experience to the position and is the ideal person to help lead DocPoint's move to the next level."

DocPoint Solutions provides a full range of consultative services, support and software for enterprise content management, with a specific focus on providing Microsoft SharePoint to organizations looking to expand employee collaboration efforts and increase information exchange across the enterprise. The company primarily provides its services to government agencies, nonprofits and corporations.

About DocPoint Solutions, Inc.

DocPoint Solutions is a Microsoft Gold Certified Partner specializing in implementing, training and supporting Microsoft Office SharePoint and its integrated suite of products. With a focus on enterprise content management and document capture, the company provides comprehensive consultative services and support to a wide range of federal, state and local governments as well as private and commercial enterprises seeking to maximize the value Microsoft SharePoint brings to their operations. DocPoint is an approved SharePoint Deployment Planning Service Provider.

By combining state-of-the-art solutions with document management expertise and innovative approaches to systems design and integration, DocPoint Solutions helps clients attain new levels of effectiveness and productivity. The company is located in the heart of the Washington, D.C.–Baltimore technology corridor in Fulton, Maryland. For more information, call 301-490-7725 or visit www.docpointsolutions.com.
