

DocPoint Solutions Wins Third Consecutive Nintex Partner Award

Nintex Partner Awards
2017

BUSINESS EXCELLENCE
WINNER

Company recognized for driving strong revenue growth by promoting and integrating Nintex Workflows to support customer success

Fulton, Md. – July 14, 2017 – DocPoint Solutions, Inc., a leader in the implementation, customization, training and support of SharePoint solutions and its integrated suite of products, announces it is a winner in the 6th Annual Nintex Partner Awards within the Business Excellence category for the Americas for the third consecutive year. DocPoint's recognition stems from driving strong revenue growth by promoting and integrating Nintex Workflows, Forms and suite of products to support customer success.

"I couldn't be more proud to have DocPoint as a winner in the 2017 Nintex Partner Awards," said Josh Waldo, channel chief, Nintex. "The success of Nintex and the customers we serve is based, in large part, on the success of our partners who help our 7,000-plus customers improve how they work and achieve a digital advantage in the market through the automation of business processes."

As the world's largest Nintex reseller and integrator, DocPoint has the ability to provide customers with powerful and efficient enterprise content management (ECM) systems that include Nintex's Workflow and Forms solutions. In addition, as a Nintex certified trainer, DocPoint is able to develop and deliver customized in-depth training to customers. Whether using SharePoint or Office 365, customers can maximize their ECM investment while automating business processes, realizing new efficiencies, improving productivity and streamlining collaboration.

Scott Swidersky, president, DocPoint Solutions, said, "Over the past six years, DocPoint's partnership with Nintex has been invaluable to our growth in the ECM space. Through the combination of innovative process automation tools and content management technologies, DocPoint and Nintex have helped customers across industries improve business processes and get more out of their data. Receiving this award is indicative of our dedication to developing our partnership with Nintex and the mutual respect between our two companies."
