

# DOCPOINT SOLUTIONS NAMED A **FINALIST** FOR 2019 NINTEX PARTNER AWARD

**Fulton, Md. – June 26, 2019 – DocPoint Solutions, Inc.,** (DocPoint), a Konica Minolta company specializing in consultation and architecture planning and design for Microsoft® SharePoint® and its integrated suite of products, announced it is a finalist in the 2019 Nintex Partner Awards. The Nintex Partner awards recognize the valuable contributions of channel partners helping organizations automate, manage and optimize their business processes by developing custom services and solutions using the Nintex Platform.

This year, Nintex is recognizing partners across the Americas, Europe, the Middle East, Africa and Asia Pacific in each of the following five categories: Business Acceleration, Business Excellence, Business Transformation Customer Success and Regional Spotlight. DocPoint is being honored in the Business Excellence category.

“Nintex Partners, like DocPoint Solutions, have an important role in helping our customer around the globe achieve their digital transformation and process excellence goals,” said Nintex Chief Executive Officer Eric Johnson. “We look forward to recognizing our top partners for their success helping clients automate, manage and optimize their business processes by developing customer services and solutions using Nintex.”

As the world’s largest Nintex reseller and integrator, DocPoint provides customers with powerful and efficient enterprise content management (ECM) systems that include Nintex’s Workflow and Forms solutions. DocPoint’s deep knowledge of

the Nintex on-premises and cloud services platform, combined with its national SharePoint practice servicing public sector and commercial customers, has led to this unparalleled achievement for both sales and service. In addition, as a Nintex certified trainer, DocPoint is able to develop and deliver customized in-depth training to customers. Whether using SharePoint or Office 365, customers can maximize their ECM investment while automating business processes, realizing new efficiencies, improving productivity and streamlining collaboration.

Scott Swidersky, president, DocPoint Solutions, said, “DocPoint’s partnership with Nintex has been invaluable to our growth in the ECM space. Through the combination of innovative process automation tools and content management technologies, DocPoint and Nintex have helped customers across industries introduce positive impacts that change their businesses. Receiving this award is indicative of our dedication to developing our partnership with Nintex and the mutual respect between our two companies.”

Nintex will announce the winners of the 2019 Nintex Partner Awards on Sunday, July 14 during Microsoft Inspire in Las Vegas, Nevada.
