**WINNER**

**2019 NINTEX  
PARTNER  
AWARDS**  
BUSINESS  
EXCELLENCE

## Fulton, Md. – July 16, 2019 – DocPoint Solutions, Inc.,

(DocPoint), a Konica Minolta company specializing in consultation and architecture planning and design for Microsoft® SharePoint® and its integrated suite of products, is the winner of the 2019 Nintex Partner Award within the Business Excellence category. This award marks the fourth year in a row and fifth time DocPoint was recognized for its proven ability to drive strong revenue growth, digitally transform operations and enhance how people work by using the powerful and easy-to-use Nintex Platform.

“Nintex is honored to recognize DocPoint Solutions as a winner of the 2019 Nintex Partner Awards,” said Nintex CEO Eric Johnson. “Every day Nintex Partners, like DocPoint, help our customers achieve process excellence and digital transformation leveraging the Nintex Process Platform.”

As the world’s largest Nintex reseller and integrator, DocPoint helps organizations automate, manage and optimize their business processes by developing custom services and solutions using the Nintex platform. DocPoint’s knowledge of the Nintex on-premises and cloud services platform, combined with its national SharePoint practice servicing public sector and commercial customers, provides customers powerful enterprise content management (ECM) systems that include Nintex’s Workflow and Forms solutions. Whether using SharePoint or Office 365, customers can maximize their ECM investment while automating business processes, realizing new efficiencies, improving productivity and streamlining collaboration.

Scott Swidersky, president, DocPoint Solutions, said, “For the last eight years, DocPoint’s partnership with Nintex has helped customers across industries apply innovative process automation tools and content management technologies to get more out of their data and improve business processes. We are honored once again to receive the Nintex Partner Award
