Your future begins by partnering with DocPoint Solutions. At DocPoint Solutions, we understand that true business growth requires access to meaningful, tangible business infrastructure, tools, and resources.

Our knowledgeable staff will ensure every configuration is accurately provided with timely quotes. DocPoint is committed to your success. You'll have access to one of the industry's most robust product line and a portfolio of services designed to build and grow your business with your customers. Developing loyalty by supporting the needs of our ShareGate resellers, DocPoint Solutions continuously strives to provide world-class customer support, and address all of our resellers requests as opportunities to improve and raise the quality of our services. Building from our distributor responsibilities in the US markets and the great deal of success we have provided to the US reseller community, DocPoint has decided to expand the range of our support to CANADA.

ShareGate simplifies management tasks for SharePoint, Office 365, and OneDrive for Business for thousands of administrators and IT professionals around the world. A privately-held company based in Montreal, ShareGate is trusted by more than 10,000 organizations. As a leader in its industry, ShareGate lives by the motto: **"innovate and keep things simple & fun."**
